

## SOCIAL ENGINEERING AUTHORIZATION

Dates September 8<sup>th</sup>, 2019 – September 13<sup>th</sup>, 2019

Client Iowa Court Information System

Assessors Coallire Employees – Justin Wynn, Gary De Mercurio, Jakob Nelson

Under a contract with Iowa Court Information System pursuant to Service Order [REDACTED] ICIS [REDACTED] Coallire has been requested to perform Physical Social Engineering to attempt to gain access to Iowa Court Information System resources. These attempts may include any of the following tasks:

- Impersonating staff, contractors, or other individuals
- Providing false pretenses to gain physical access to facilities
- "Tailgating" employees into facilities
- Accessing restricted areas of facilities

Tasks that shall not be performed include:

- Alarm subversion
- Force-open doors
- Accessing environments that require Personal Protective Equipment

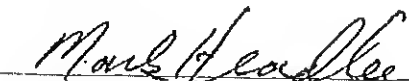

Our points of contact for this engagement are:
